School Mission and Goals

School's Mission

We are a charter school dedicated to providing students with a quality education. We emphasize math and science while simultaneously providing a superior education in all other aspects of the school curriculum. The Academy of Math and Science's main goal is to create awareness of the what, the how, and the why of mathematics and science. We strive to ensure that our students are prepared in math and science for all their future endeavors while developing an interest in natural
